

infoshare™

Municipal Portal

Efficiency for Your Municipality
Convenience for Your Residents
Cost Savings for All

Developed in coordination with several NJ municipalities, CSI presents a vehicle for citizens to access the services your town provides without leaving their homes or placing a phone call!

Citizens can log onto the portal anytime from anywhere they have an Internet connection and access the services of every municipal department!

Municipal staff can electronically process transactions received through the portal!

Cloud based and securely hosted

Reduces hardware costs and maintenance fees

Available to municipalities and counties

Reduces costs of paper, postage and storage

Increases citizen access to government services

Supports “green operations”

Convenient to residents and simplifies process for municipal staff!

The InfoShare™ Municipal Portal Brings Efficiency to Every Department Designed for Municipalities and Counties

Personalized with Local Logos and Photos on the Home Page
Reduce traffic to City Hall and other offices!

**Your citizens can easily process applications and other transactions
right from their computer or smart device:**

- | | | | |
|----|--|----|--|
| 01 | Tax payments | 07 | Permit applications (dumpster permits, block party permits, etc.) |
| 02 | Construction permits and fees, based on your requirements and fee schedule | 08 | Parking permits – <ul style="list-style-type: none">• Overnight parking• Exemptions• Metered permits• Lot permits |
| 03 | Requests for large bulk item trash pickup | 09 | Limo / taxi permits |
| 04 | Fire inspections | 10 | Alarm permits |
| 05 | Dog / cat licenses | 11 | Vacation house checks |
| 06 | Mercantile licenses | 12 | Any other application your municipality or county issues or requires |

***Your specific requirements for the transaction processing will
be configured into your portal***

Fees will also be processed through the portal and receipts will be issued!
